No. D. 21—*J. S.* 19-28-7, *dated* 3*rd July* 1929.

The temporary Auditor's Certificate of Mr. K. Srinivasa Raghavachar, B.A., L.T., withdrawn in Notification No. D. 10390—J. S. 19-28-3, dated the 8th April 1929 is hereby restored.

No. D. 447—*Geol.* 39-28-18, *dated* 13*th July* 1929.

In exercise of the powers conferred by section 8 of the Mysore Petroleum Regulation I of 1923, the Government of His Highness the Maharaja of Mysore are pleased to make the following amendments in the Rules to regulate the possession and transport of petroleum which were published in Notification No. D. 7711-Geol. 39-28-6, dated the 24th January 1929, for general information.

AMENDMENTS.

In Chapter I of Part II of the said Rules :—

For Rules 6, 7 and 8 the following shall be substituted :—

" 6 Every tank or other receptacle for the storage of petroleum in bulk except a tank or receptacle which is not of sufficient capacity to contain 10,000 gallons of petroleum and is so situated as not to be liable to cause danger in the event of the petroleum being ignited shall be electrically connected with the earth in an efficient manner by means of not less than two separate and distinct connections placed at opposite extremities of such tank or receptacle and the roof and all metal connections of such tank or receptacle shall be in efficient electrical contact with the body of such tank or receptacle.

Explanation.—A tank or receptacle shall be deemed to be so situated as not to be liable to cause danger in the event of the petroleum being ignited if it is not in close proximity to any other tank or receptacle or to any building not forming part of the installation and if it is surrounded by a wall or embankment or sunk in an excavation, the enclosure thus formed being sufficient to contain the whole contents of the tank or receptacle.

7. Not less than once in every year the connections and contacts referred to in Rule 6 shall be inspected and tested by the General Electric Inspector of the Mysore Electrical Department who shall be given every facility for such inspection by the licensee of the tank or receptacle. The General Electric Inspector shall conduct the tests in such manner as may be prescribed by the Chief Electrical Engineer and prepare a report of the result in duplicate. One of the copies shall be furnished to the licensee and the other submitted to the Chief Electrical Engineer who shall forward it without avoidable delay with his remarks to the Director of Industries and Commerce for record.

8. The fee payable for tests carried out under Rule 7 shall be Rs. 10 a year for each connection, but shall not exceed Rs. 50 for any number of connections relating to one receptacle. In case the test discloses an unsatisfactory connection, and the need for rectification, the licensee shall nevertheless be liable to pay the prescribed fee and be likewise liable to pay a fee at the same rate for every subsequent test which may be necessary till the connections are passed by the Director of Industries and Commerce on the report of the General Electrical Inspector.

INSTRUCTIONS FOR TESTING LIGHTNING CONDUCTORS ATTACHED TO PETROLEUM PREMISES OF ELECTRIC EARTHS ON PETROLEUM TANKS.

1. First examine visually all joints and connections above ground to discover if any of these are loose or disconnected.

2. If accessible examine the point or points on the Lightning rod to see if it is firmly fixed to the Lightning rod. Notice whether any of the staples fastening the conductor to the walls have come away.

3. The actual test should be conducted during the dry season.

4. The best instrument that can be used for this purpose is the earth Tester (consisting of an ohm meter and a generator mounted in the same case made by the well known firm Evershed and Vignoles Ltd., London) which gives results very accurately by a single direct reading.

METHOD OF TESTING GENERAL.

The instrument should be placed on a steady base and connected up according to the diagram given below for the type of test to be carried out. The generator handle should be turned clockwise at about 100 revolutions per minute, the actual speed being unimportant. Before starting any test the range switch should be set to the higher range. If the reading obtained is below 1—10th of the maximum scale value, the range switch should be moved over to the lower range.

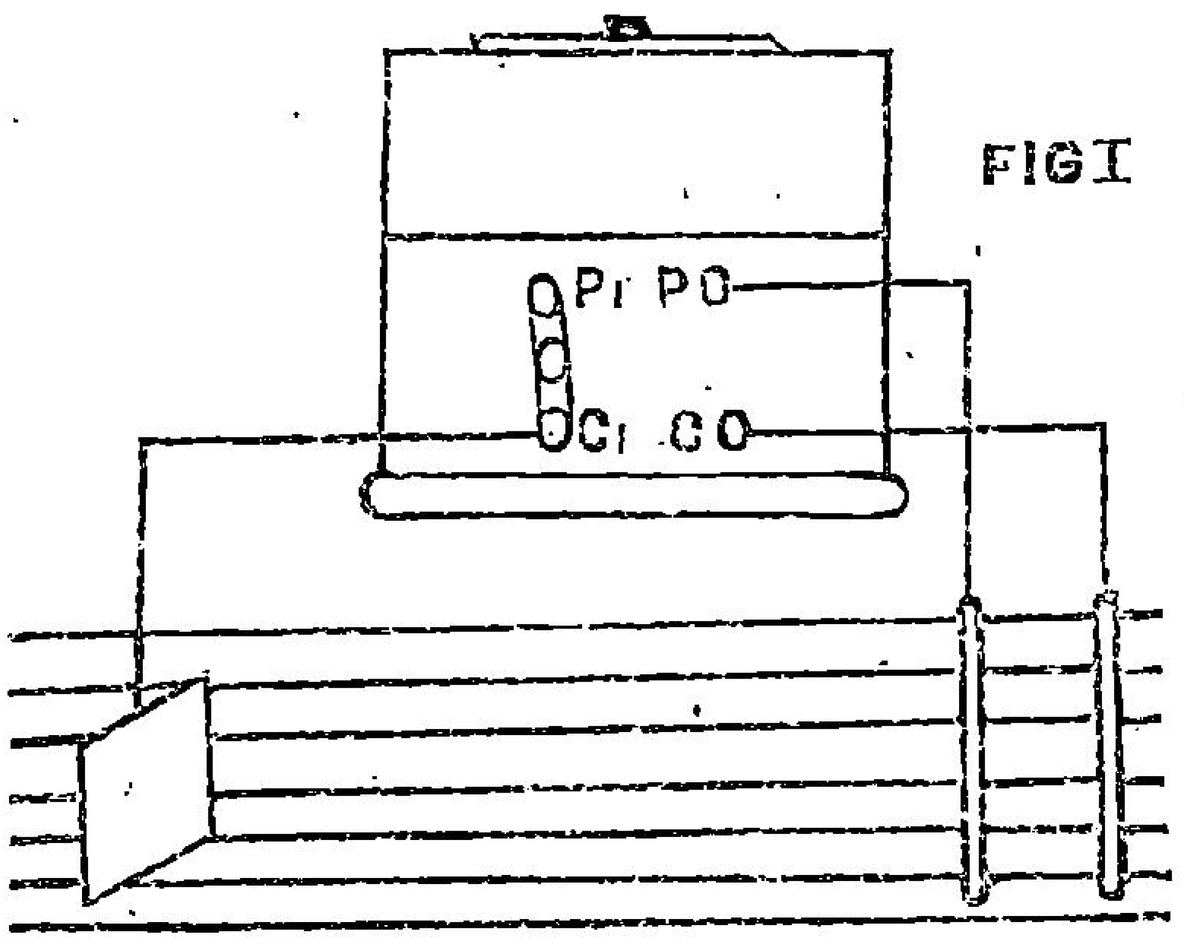

FIG I

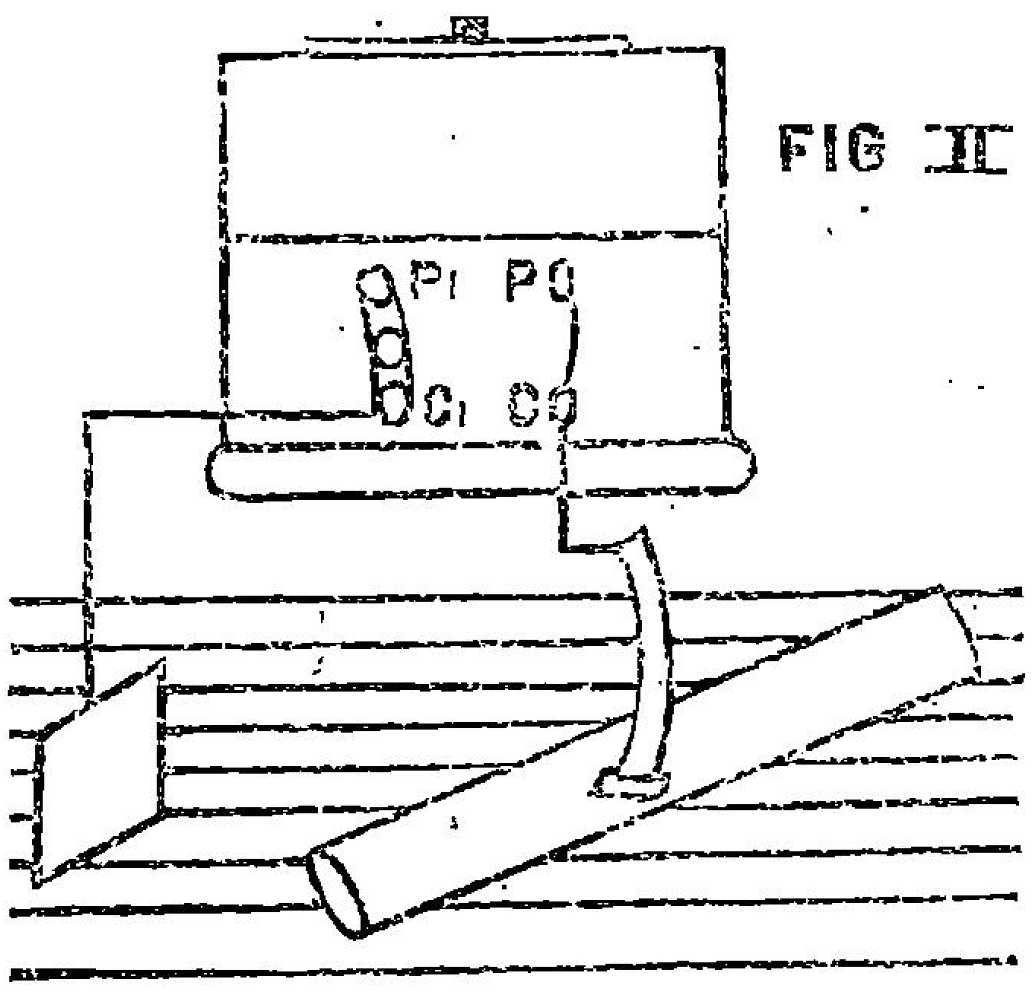

FIG II

Testing an earth plate or earthed metal Structure..

The two terminals P1. and C1. on the left being linked the terminal C1. is connected to the earth plate or metal structure to be tested, while the other two terminals P. and C. are connected to two temporary earths as shown in Fig. 1.

The temporary earths employed for the various tests mentioned above may consist of 1" gas piping driven two or three feet into the ground. Water, preferably salt water, should be poured round the pipes in order to improve the contact structure, the temporary earth connected to the terminal P should be at least 10 feet from the earth plate or structure, the temporary earth connected to the terminal C. being a further two feet or so away.

5. Testing an earth plate or Earthed metal structure when a low resistance earth is available.

If an earth plate or metal structure such as a water main, is available whose resistance to earth is known to be negligible, the connections may be simplified and may follow the scheme shown in Fig. 2 terminals P1. and C1. are linked and connected to the earth plate and the other two terminals P. and C. are connected together and to the metal structure.

NOTE.—If the above instrument is not available the next best method of testing is by using the Wheatstone Bridge with the auxiliary earths.

7. When testing petroleum tanks, it should be made positively certain that petrol vapour is not present.

7. The result of the test should not be considered satisfactory unless the resistance of the Lightning Conductors attached to the petroleum tanks is found to be less than 10 Ohms.

N. DEVA RAO,
For Ex-officio *Secretary,*
Representative Assembly.

GENERAL SECRETARIAT.

No. L. 911—Ml. 178-28-4, dated 3rd August 1929.

Whereas by a Proclamation published on the 10th January 1929 at page 34 in English and at page 6 in Kannada of the *Mysore Gazette*, Part II-A, and posted up in conspicuous places in the town of Davangere, it was duly announced under Section 8 (1) of the Mysore Municipal Regulation 1906, as amended from time to time, to extend the boundary of the Davangere Municipality as specified in the said Proclamation and whereas no objections have been made to the proposal, the Government of His Highness the Maharaja are pleased in exercise of the powers conferred on them by Section 4 (1) of the said Regulation to extend the limits of the Davangere Municipality and to declare that the boundary of the said Municipality shall on and from the 1st August 1929 be shown as hereunder :—

East.—Commencing from the north-east corner of Survey No. 137 of Anekonda Village, joins the eastern corner of Survey No. 141 of Anekonda Village. And turning towards the west joins the western boundary of Survey No. 117 of Better Road. And then turning towards the south joins the western boundary of Survey No. 115 and passes along the Survey Nos. 106, 107 and 104 at a distance of 150 yards from the western boundary of the said Nos. and joins the eastern boundaries of Survey Nos. 102, 101, 100, 99, 98, 97, 96, 95, 94, 93, 92, 91, 89, 86, 85, 82, 81, 63, 62 of Anekonda Village and 119 of Nittappalli Village and meets the present boundary stone fixed on the Bangalore-Dharwar Road.

South.—Starting from south-east corner of Survey No. 118 of Nittapalli Village and turning towards the west passes along the Survey No. 123 of Nittappalli Village at its middle and continues in the southern boundaries of Survey Nos. 117 and 97 of Nittappalli Village, meets the Survey No. 97. From there it goes north, joins the north-east corner of Nittappalli Tank and meets the Survey No. 84 and turns towards the left and joins Hadadi Road at the point where the southern boundary of Survey No. 84 and northern boundary of Survey Nos. 86 and 90 meet. Then turning towards the north along with the Hadadi Road as far as the middle portion of Survey No. 83 of Nittappalli Village, the boundary line turns to the west and crosses the Hadadi Road and meets the north-west boundary of Survey No. 82 and passing along Survey No. 78 of Nittappalli Village in the middle joins the Survey No. 55 at its south-eastern corner Passing along the southern boundary of Survey No. 55 of Davangere Village, the boundary line joins the south-west corner of Survey No. 64 of Davangere Village.

West.—Starting from the south-west cornor of Survey No. 64 of Davangere Village, the boundary line runs along the western boundaries of Survey Nos. 66, 63, 80 and then crossing Bangalore-Dharwar Road near the north-west corner of Survey No. 80 runs northward along the western boundaries of Survey Nos. 82, 83, 35 and skirts in Davangere Tank bund Survey No 34 and passing along the western boundary of Survey No. 22, meets the original boundary stone fixed on the ridge of Davangere Tank Kodiahalla, at the eastern corner of Survey No. 130. Then it turns towards the east and runs along the road till it reaches the south-west corner of Survey No. 10 and passes northwards in the western boundaries of Survey Nos. 2, 153, 152, 151 and reaches the north-western corner of Survey No. 146.

From this it will be seen that the town of the Davangere Municipality will include the lands of Anekonda and Nittappalli Villages as shown in the plan.

No. L. 1003—Ml. 22-29-4, dated 6th August 1929.

Under Section 48 (1) of the Mysore Land Acquisition Regulation 1894, as amended from time to time, Government are pleased to withdraw from the acquisition of 3/4ths of a gunta in Survey No. 56 of Chikkangala Village, Kadur Taluk which was notified for acquisition in Government Notification No. L. 4200 Ml. 19-28-24, dated the 11th December 1928 along with other properties as required for putting pipe line of Kadur Water Supply, as it is reported that the said land is not required for the purpose.

By Order,
B. NARAYANASWAMI IYENGAR,
Offg. *General Secretary to Government.*

PART II--Section 2.

NOTIFICATIONS BY GOVERNMENT.

ABSTRACT OF THE PROCEEDINGS OF THE MYSORE LEGISLATIVE COUNCIL.

BUDGET SESSION.

(*June and July* 1929.)

No. 557—*L. C., dated* 9*th August* 1929.

The Budget Session of the Legislative Council was held in Bangalore, from the 24th June to 1st July 1929. In the absence of the President, *Rajakaryaprasakta Diwan Bahadur* M. N. Krishna Rao, First Member of Council, presided. All the members were present except Messrs. Ralph Nye and A. Krishna Rao.

1. NEW MEMBERS.

The following new members took their seats after making the prescribed oath of allegiance to His Highness the Maharaja:—

1. *Rajasabhabhushana* K. Chandy.
2. Dr. S. Subba Rao.
3. Mr. P. Mahadevayya.
4. Mr. B. Narayanaswami Iyengar.
5. Mr. A. R. Nageswara Iyer.

2. SECRETARY'S REPORT.

The Secretary reported to the House that the Regulations noted below had received the assent of His Highness the Maharaja, on the respective dates specified against them.

1. A Regulation to amend the Civil Procedure Code, 1911 ... 31st December 1928.
2. A Regulation to amend the Mysore District Board Regulation, 1926 ... ... 31st December 1928.
3. A Regulation further to amend the Mysore Municipal Regulation, 1906 ... ... 2nd January 1929.

3. QUESTIONS AND ANSWERS.

Out of the 132 questions on the agenda, answers to 127 questions were furnished in print to the members. Supplementary questions were asked on many of them and they were also answered.

4. ADJOURNMENT MOTION.

There was a motion by Mr. N. G. Sanjeeviah for the adjournment of the business of the Council for the purpose of discussing the recent disturbances at Davangere. It was taken up at 4 P.M., on the first day of the Session. The debate on it continued till 6-30 P.M., and closed with a statement by the Second Member of Council, who had visited the scene of occurrence, giving a full account of the disturbances and the measures adopted by Government to restore order and bring the offenders to justice.

5. BILLS.

Leave was granted for the introduction of two new Bills, one to designate the Chief Court of Mysore, as the High Court and the other to amend the District Boards Regulation for the purpose of enabling the District Economic Superintendents and such other officers as the Government may deem fit to attend and address the meetings of the District Boards.

The reports of the Select Committees to which the Bills to amend the Securities Regulation, the Prevention of Adulteration Regulation, the Government Savings Bank Act, 1873, and the Income-tax Regulation had been referred, were presented to the Council and the passing of these Bills deferred to a subsequent meeting.

Three Bills were finally passed, *viz.*, the Bill to provide for the better regulation of Cotton Ginning and Pressing Factories, as amended by the Select Committee, the Bill to amend the Co-operative Societies Regulation as re-drafted by the Select Committee, with certain further amendments and the Bill to amend the Prevention of Adulteration Regulation. The first of these measures is intended to prevent admixture in cotton ginning and

pressing factories in the interests of the reputation of the superior varieties of cotton grown in the State, the second to provide the necessary statutory authority for bringing into operation the Land Mortgage Bank Scheme sanctioned by Government and the last to limit the jurisdiction in respect of offences under the Prevention of adulteration Regulation to Stipendiary Magistrates of the First and Second Class and specially empowered Benches of Honorary Magistrates.

6. BUDGET FOR 1929-30.

The general discussion of the Budget took place on the first two days and the voting of grants for the year 1929-30, occupied the next four days. There were 255 cut motions on the demands for these grants. Most of them were either not moved or were withdrawn after discussion and all the demands were passed.

7. SUPPLEMENTARY AND ADDITIONAL GRANTS FOR 1928-29.

The demands for supplementary and additional grants for the year 1928-29, were taken up on the seventh day of the Session. The necessity for the grants asked for having been explained, the few cut motions that were moved were withdrawn and the demands passed.

8. REPORT OF THE PUBLIC ACCOUNTS COMMITTEE.

The report of the Public Accounts Committee, on the Audit and Appropriation Report for the year 1927-28, was adopted.

9. ELECTION OF A MEMBER TO THE COURT OF THE INDIAN INSTITUTE OF SCIENCE, BANGALORE.

The election of a representative of the Council to the Court of the Indian Institute of Science, was held on the 29th June. There were eight candidates and Mr. N. Rama Rao, Secretary to Government in the Development Departments, having polled the largest number of votes was declared duly elected.

10. RESOLUTIONS.

The resolutions on the Agenda numbered 88, but only four of them were moved. Two of them were withdrawn after discussion and two were put to vote and lost.

One of these resolutions, moved by Mr. Bagamane Deva Gowda, recommended increased allotment for the purpose of providing for primary education in at least one hobli in each Taluk every year. The Director of Public Instruction suggested instead that each Village Panchayet area might be given a school to begin with. The Third Member of Council pointed out that the introduction of compulsory education in one hobli in each Taluk every year, would involve an expenditure progressively of Rs. 5 lakhs a year and added that the Government would rather spend that money all over the State instead of in a few hoblies only. The resolution was in the end withdrawn.

Mr. Sylvester Pais recommended the oppointment of a small Committee of Europeans and Indian Planters with the Revenue Commissioner as Chairman to lay down a comprehensive policy to guide Revenue Officers in the fixing of upset price of coffee lands. The Revenue Commissioner, in opposing this Resolution, explained that there being only about 8,000 acres of land and the best available land having already been taken up, the appointment of a Committee would serve no useful purpose and that he himself was trying to redress all reasonable grievances. The Second Member of Council added that Government were aware of the need for giving every legitimate encouragement to planters and would consider the whole question shortly. On this assurance the resolution was withdrawn.

Mr. H. B. Gundappa suggested the constitution of a Staff Selection Board to assist in making appointments of all grades so as to remove the existing inequality in the representation of backward communities in the Government Service. The Third Member explained that though the grievances to which this resolution gave expression were real, the position had considerably improved as a result of the revised rules of recruitment in regard to the appointments to which those rules applied. As regards higher appointments, he said that the number of such appointments was small and that it was impracticable therefore to ensure adequate representation to all communities. He added that in Mysore there was not the same need for Staff Selection Boards as in British Indian Provinces where a system of party Government was in existence and it was necessary to remove appointments in the public service from the sphere of political influence. The resolution was put to vote and lost.

The Council thereupon adjourned *sine die*.

By Order,
P. MAHADEVAYYA,
Ex-officio *Secretary*,
Mysore Legislative Council.

GENERAL SECRETARIAT.

No. R. 1630—L. S. 2-28-167, dated 24th August 1929.

It is notified for general information that under section 1 (2) of the Record of Rights Regulation No. X of 1927, Government are pleased to direct that the provisions of the said Regulation shall be extended to all Government villages and settled Inam villages of Seringapatam, Gubbi, Sorab and Siddlaghatta Taluks with effect from 1st October 1929.

2. The Record is intended to check litigation in regard to land and to facilitate its disposal by the Courts, to reduce unnecessary expenditure by the raiyats in executing and registering documents and to protect them against fraud and fabrication of false claims. It will also be of assistance to Government as well as the raiyats in the distribution of assessment among the various hissedars, the grant of takavi and land improvement loans and the grant of suspension or remission of land revenue.

3. To facilitate the accurate preparation of the Record of Rights, the list of "Hisses" will first be prepared by the Shanbhogs to the best of their information in a prescribed form and every case will be duly investigated by a special Shekdar. There will then be a check of the list by the Amildar or other officer specially authorised by the Deputy Commissioner in this behalf. Occupants and persons interested in the land are required to furnish every information that may be within their knowledge to the investigating officers in order to ensure accuracy in the preparation of this Record which will form the basis of the future Record of Rights.

4. All persons interested in land are required to render every reasonable assistance to officers of the Survey Department who will measure and conduct enquiries in cases of disputed boundary lines between hisses in the field, after giving the prescribed notice.

5. The attention of the public is invited to the provisions of Section 7 of the Record of Rights Regulation requiring them on requisition by a Revenue Officer engaged in compiling or revising the Record of Rights to furnish or produce information and documents needed for correct compilation of revision thereof within one month from the date of such requisition. Failure to comply with this requisition and secure registration of their rights will render occupants and holders of interests in land liable to a fine not exceeding Rs. 5 (recoverable as an arrear of land revenue) besides depriving them of the several advantages enumerated above. The officer to whom any information is furnished, or before whom any document is produced in accordance with the requisition will give a written acknowledgment therefor in the form prescribed to the person furnishing or producing the same and shall endorse on any such document, before returning it to him, a note under his signature stating the fact of its production and the date thereof.

No. R. 1586—*L. R.* 63-29-3, *dated 24th August* 1929.

The Government of His Highness the Maharaja are pleased to amend the revised Rules for the grant of lands for the cultivation of tea, coffee, cinchona, etc., in the State as follows:—

Add at the end of paragraph 7, clause (*a*) "The same rate of assessment will be levied on coffee lands held on temporary tenure or other lands which are cultivated with tea".

GENERAL SECRETARIAT.

No. R. 2692—L. R. 445-28-18, dated 7th October 1929.

In supersession of the existing rules, the Government of His Highness the Maharaja are pleased to issue the following revised rules for the grant of lands, for the cultivation of tea, coffee, cinchona, or rubber in the State.

APPENDIX I.

1. Applications for land for tea, coffee or cinchona cultivation shall be made to the Amildar in the first instance setting forth the area required, the survey number, the village and the hobli in which the land is situated. To enable such applications to be correctly made the shanbhog concerned shall, on application supply to the applicant full details of the land to be applied for.

2. The land applied for when more than 50 acres in extent, shall be inspected by a Revenue Officer of a status higher than the Amildar, and when situated in a valuable timber tract by the Forest Officer. The land applied for should be demarcated only after the grant is sanctioned, and just before the land is put in possession of the purchaser at the auction sale or for upset price, the cost of such demarcation being borne by the grantee.

3. In all cases, due enquiry shall be instituted as to whether the land can be given out for cultivation without prejudice to the interests and rights of neighbouring village communities and of the Forest Department.

4. Ordinarily, no application shall be entertained for an area larger than 500 acres, in the case of tea, and 200 in the case of coffee, cinchona or rubber; but in special cases in which the Deputy Commissioner is satisfied of the applicant's ability to bring under cultivation a larger area within a reasonable time, an application may be entertained for such area as the Deputy Commissioner may consider reasonable.

5. No land containing valuable timber trees, which it is desirable that the Government should in the Forest Department conserve and work, shall be granted for tea, coffee, cinchona or rubber cultivation.

6. When it has been ascertained that there is no objection to the grant of the land applied for, it shall ordinarily be sold by public auction subject to an upset price of Rs. 40 per acre. In the case of applications from the Depressed Classes and *bona fide* cultivators of small means when the extent applied for is 15 acres and below in each case, the minimum upset price will be Rs. 12-8-0 per acre.

Deputy Commissioners may dispose of lands by public auction up to a limit of 50 acres. In exceptional cases when a sale by public auction is undesirable, the Revenue Commissioner may order the grant of the land to the first applicant or to any other person on a fair valuation. His powers of grant, either by auction or for upset price, will be limited to an extent of 100 acres. All other cases, particularly when the applications are considered to be of a speculative nature, should be referred to Government.

Provided also that when such lands are applied for by applicants belonging to the Depressed Classes they may be given by the Deputy Commissioner to the first applicant for an upset price without auction. In these cases a mutchalika should be taken from the grantees in the form prescribed in Government Order No. R. 869-75—L. R. 75-25-2, dated 18th August 1925 stating that they will not alienate or lease out the lands for a period of 15 years. The extent granted to any one individual under this proviso should not exceed 15 acres in extent.

7. The upset price fixed as above shall include right of Government to all reserved trees except Sandal which shall always be reserved absolutely to the Government.

What the fixed upset price of the land shall include.

8. Before the land is advertised for sale, the applicant shall deposit with the Deputy Commissioner one-fourth of the upset price fixed as above.

Deposit to be made by applicant.

9. Full notice of every intended sale shall be posted for one full calendar month in Kannada, Urdu and English in the Taluk Office the chavadi or other conspicuous place of the village where the land to be sold is situated and the Sheikdar shall notify and obtain the signatures to the notification of all holders of lands adjoining the land to be sold, as far as it may be possible. All sales of blocks of a greater extent than 50 acres shall be advertised in the Official Gazette and in the local and outside papers also, if deemed necessary by the Deputy Commissioner of the District and the Revenue Commissioner.

10. Sales of land not exceeding 25 acres in extent shall be held on the spot; sales of land over 25 acres in extent shall be held at the Taluk Office. The sale shall be by public auction under the usual conditions between the hours of 10 A. M., and 4 P. M., and no auction sale shall be closed before 4 P. M. The land shall be knocked down to the highest bidder above the upset price fixed, whereupon the purchaser shall deposit a sum equal to 25 per cent of his bid, and in default of such deposit, the property shall forthwith be again put up and sold. The full amount of purchase money shall be paid before sunset of the 15th day from that on which the sale of the land took place, or if the said 15th day be an authorised holiday, then before sunset of the first office day after such 15th day.

10A. In default of payment within the prescribed period of the full amount of purchase money, the deposit, after defraying thereout the expenses of the sale, shall be forfeited to Government, and the property shall be resold, and the defaulting purchaser shall forfeit all claim to the property or to any part of the sum for which it may be subsequently sold.

10B. If the proceeds of the sale, which is eventually made, be less than the price bid by such defaulting purchaser the difference shall be recoverable from him by the Deputy Commissioner as an arrear of land revenue.

10C. The deposit of one-fourth of the upset price made by the applicant under para 8 above, shall, if the land be knocked down to him at the auction, be credited towards his deposit of 25 per cent of the purchase money, and it shall be refunded to him, if the land is purchased by any other person in the auction.

11. The lands sold under the above rules shall be given on a guarantee for 30 years on the terms of the Survey Settlement subject to the condition that this period will run for the taluk or the locality as a whole, thus providing for the synchronization of future revision settlements for coffee, tea and other lands of a particular area like a taluk. The lands shall, in the case of coffee be held.

(*a*) Free of assessment for the first three years, and half assessment for the next two years, the full assessment of Rs. 1-4-0 per acre being payable from and after the sixth year.

(*b*) In the case of tea, free of assessment for the first five years from the date of grant, and on full assessment at the rate of Rs. 1-8-0 per acre from the sixth year onwards. No grant will be made unless the applicant is able to prove that he can raise the necessary capital for starting the industry. One-fifth of the area granted shall be planted up every year.

The same rate of assessment will be levied on coffee lands held on temporary tenure or other lands which are cultivated with tea. Before the abovementioned concessions are granted, the purchaser will bind himself in writing to pay the full assessment from the first year in the event of his resigning the lands after cutting down the timber thereon or otherwise clearing any portion, but without having made any *bona fide* attempt to bring under cultivation the plantable lands included in the grant.

Concession as regards land required *bona fide* for purposes of coffee or tea cultivation, such as drying grounds, cooly lines, etc.

12. The Deputy Commissioner may, in his discretion, grant to the holder of an estate, on a fair valuation and without an auction, any moderate extent of Kharab land adjoining his farm which may be unfit for coffee cultivation, but required *bona fide* for the purposes of coffee cultivation, such as (1) drying-grounds, (2) pulper buildings and washing cisterns, (3) store buildings, (4) cooly lines, and (5) bungalows. In making grants under this rule, due regard shall be had to the provisions of the preceding rules as far as they apply, provided that in no case shall the extent of land to be granted by the Deputy Commissioner under this rule exceed ten acres for any single estate without the previous sanction of the Government.

Land granted under this rule shall be assessed at Rupee one and annas four per acre in the case of coffee and at Rs. 1-8-0 in the case of tea.

The proprietor of an estate may be allowed to erect cooly lines, store buildings, etc., on the assessed land under his occupation.

13. For lands under these rules title-deeds shall be granted to the grantees specifying the conditions and privileges of the grant in the appended form.

Fee for title-deed.

14. A fee of one rupee for each title-deed shall be recovered from the grantee for cost.

Drawing toddy—how allowed and how restricted.

15. The grantee can draw toddy from Bagani or other trees for the making of bread or other *bona fide* domestic purposes, but not otherwise, as the toddy contractor alone has the right to draw toddy for other purposes after obtaining the grantees consent.

FORM.

Whereas under the Rules for the disposal of lands for coffee or tea cultivation the land specified in the schedule hereunder written has been sold $\frac{\text{in public auction}}{\text{for upset price}}$ and A. B., being the $\frac{\text{highest bidder}}{\text{purchaser}}$ was declared the purchaser thereof, and whereas the said A. B., has paid into the Government Treasury the full sum of the purchase money amounting to Rs..........

Now I.C.D., the Deputy Commissioner of..........., acting under the authority of the Government of His Highness the Maharaja of Mysore, do hereby grant and confirm the said land to the said A. B., his heirs, personal representatives and assigns under the terms of the Survey Guarantee Rule and subject to the provisos hereinafter mentioned, and subject also to the regular yearly payment of the sum of Rs.......as the land revenue assessment of the land until the same is revised in accordance with the law for the time being in force.

1. Provided that this assessment shall be paid for each revenue year to the proper receiving officer on or before the 31st March in that year, failing which it will be recoverable by the ordinary process for recovering arrears of land revenue in Mysore.

2. Provided also that the said A. B., or other lawful owner of the said land, shall, at all times hereafter at his own expense, repair and maintain in good order the boundary marks erected round and in the said land, failing which, it shall be lawful for His Highness the Maharaja's Government after due notice to cause the repair of the boundary marks to be carried out and to recover the cost of such repair as a revenue demand from the said A. B., or other lawful owner.

3. Provided also that this title-deed in no way affects the liability of the abovesaid land to such rates or taxes other than land revenue as are or as may be imposed by law, whether for general, municipal or other local purposes; nor does it in any way affect any rights or interest which other parties may have in the said land.

4. Provided also that nothing in the title-deed contained shall affect the existing or customary rights of Government or of proprietors of lands adjoining or lying near the said land in all existing roads and paths and in streams of water running through or bounding the said land.

5. Provided also that this title-deed shall in no way be considered to grant to or in any way vest in the said A. B., his heirs, personal representatives or assigns any right, title or interest in or to precious stones, gold and other minerals or coal or stone or rock containing or supposed to contain precious stones, gold or other minerals or coal known to exist or which may at any time hereafter be discovered on or under the said land or any part thereof all of which are hereby respectively reserved to the Government of His Highness the Maharaja of Mysore subject to the following conditions, namely:—

(a) That if the said Government decides to work any mine upon the land either by itself or its servants, agents and other persons by it duly authorised, then the said Government shall have full and free liberty and right of ingress, egress and regress by nearest way at all times for itself and its servants, agents and workmen and for all persons by it duly authorised, in and upon the said lands and premises and either with or without horses and other cattle, carts and waggons and other carriages to erect on the said land and premises and to use any engines or machinery for the purpose of searching for working, getting and carrying away the said precious stones, gold and other minerals, and coal, with full liberty for the said Government to sink, drive, make and use upon the said land, mines, pits, shafts, drifts, adits, air-courses and water courses and to use all water which may be lifted or raised from the same and also to appropriate and use any part of the surface of the land and premises for depositing, placing and heaping thereon, the minerals, waste, rubbish and other substances which may be got from the said mines and generally to do all other acts and things necessary or proper for working and getting the said precious stones, gold and other minerals and coal and rendering the same merchantable, the said Government paying or rendering compensation to the said A. B., his heirs, personal representatives and assigns for all damage which the said A. B., his heirs personal representatives shall sustain by reason of the exercise by the said Government of such right of way as is hereinbefore reserved, or by the erection and use of any such engines, machinery or works as are hereinbefore mentioned or the exercise of all or any of the rights hereinbefore reserved to the said Government, provided always that nothing hereinbefore contained shall authorise the said Government to sink any mine, pit or shaft or exercise any of the rights hereinbefore reserved to it upon any part

of the said land and premises which shall be occupied by any messuage or dwelling house or its curtilage or by any enclosed garden or orchard, and provided further that if the said Government and the said A. B., his heirs, personal representatives or assigns do not agree as to the amount of compensation to be paid to the said A. B., his heirs, personal representatives or assigns the amount of such compensation shall be settled in accordance with the procedure prescribed by the Land Acquisition Regulation, 1894, for determining the amount of compensation; and

(b) That the said A. B., his heirs, personal representatives or assigns shall always be allowed to use free of charge any limestone, granite and ordinary minerals other than metals or coals or precious stones which may be found on or under the said land and which may be applied to the *bona fide* private use of the said A. B., his heirs, personal representatives or assigns and not removed for purposes of sale.

6. And provided also that this title-deed shall not be considered in any way to grant to or vest in the said A. B., his heirs, personal representatives or assigns the right to Sandal trees, which are hereby reserved to the Government of His Highness the Maharaja of Mysore.

APPENDIX II.

Revised rules for the grant of lands for rubber cultivation.

Government direct that all future applications for lands for rubber cultivation be dealt with in accordance with the rules relating to the grant of lands for coffee or tea cultivation. The lands will be sold by auction subject to a minimum upset price of Rs. 40 per acre and granted on temporary tenure. They will be held free of assessment for the first three years and on half assessment for next two years, full assessment at Rs. 1-8-0 per acre being recovered from the 6th year. A title-deed in the form given above will be issued to the grantee, whenever lands are given out for rubber cultivation as above.

2. In the case of lands which have already been given out for rubber cultivation under the rules of 28th September 1906, Government are pleased to direct that the rates of assessment be reduced from Rs. 3 to Rs. 2 per acre.

PRESS COMMUNIQUE.

THE ARMISTICE ANNIVERSARY.

His Majesty the King Emperor has expressed his wish that, on the 11th November this year, as in previous years, there should be a complete cessation of all normal business throughout the British Empire, during a period of two minutes' silence, commencing from 11 A.M. His Highness the Maharaja desires all his subjects to co-operative in giving effect to the wish of his Imperial Magesty the King Emperor. In order that the ceremony should synchronise throughout the State, it is suggested that 11 A.M. Railway time might be adopted.

All Government Officers and institutions will open at 12 noon, instead of 11 A.M., on the 11th November 1929.

By Order,
R. RANGA RAO,
Offg. *Chief Secretary to Government.*
